Interactive Math Notebook 3rd Grade & Worksheets | TpT

I will be a third grade teacher this coming school year after spending my first year as a 5th-6th teacher. I did math journals with my class and I loved it, but I am not sure if it would be more appropriate for third grade to cut the notebooks or just have a regular notebook like I did this year. Any thoughts or advice?

Distance Learning Word Problem Math Journal for Third ...

This journal is so much more than a collection of word problems. These journal prompts ask students to defend their answers, list the steps they took to solve the

problem, make their own problems, draw pictures, etc. Writing about their mathematical thinking will help students to prepare for standardized testing and show a true understanding of the math concepts rather than just test if the ...
