Step 1, Fold paper in half. Take a piece of rectangular paper and place it in front of you so the paper is in portrait format, with the longer edges to the side. Fold it in half lengthwise from top to bottom, so that the fold is at the "top" of the piece of paper. Step 2, Fold the paper in half and unfold. This time fold the paper side to side, rather than top to bottom as in the first fold, then unfold. The crease marks your center line. Now you're back to after Step 1, with the paper folded ...
