Ancient Ivories In The Middle

Decorated ostrich eggs were traded around the Mediterranean during the Bronze and Iron Ages. Research on their origins has focused primarily on decorative techniques and iconography to characterise the producers, workshops and trade routes, thereby equating decorative styles with cultural identities and geographic locations.

Medieval Ivories - Medieval Studies - Oxford Bibliographies

A comprehensive examination of medieval ivory carving in western Europe. Chapters cover the late Roman world, including east and west, the early Middle Ages in Europe, Romanesque ivories, and Gothic ivories until the mid-15th century. This volume remains a cornerstone of the field and is lavishly illustrated.

This plaque in the shape of a seated lion belongs to a group of carved ivories, mostly furniture elements, probably found at the site of a palace at Acemhöyük in central Anatolia. It closely resembles another plaque in the same group which is also in the Metropolitan Museum's collection (36.152.5). The mane is shown in the form of individual tufts, each ending in an upturned curl, with a row of smaller locks separating it from the face.

Ancient Israelite Art - Ancient History Encyclopedia

In the ancient Near East, ivory was a highly valued item. Ivory workshops existed throughout North Syria, which Samaria was a part of. Both biblical texts and archaeological evidence attest to the importance of ivory carving in the kingdom of Israel. For example, the Hebrew Bible refers to ivory houses that Yahweh will destroy (Amos 3:17).

Megiddo | ancient city, Palestine | Britannica

The ivories comprise plaques decorated in relief with intricate carvings of sphinxes, lions, serpents, people, flowers and geometric motifs, as well as carvings of female heads and female figurines. They were carved in various locations across the Ancient Near East, including Egypt, modern Syria and Lebanon, with relatively few carved locally.

How the Middle Ages Processed and Recycled Roman Culture ...

What led to the collection of antique objects during the Middle Ages was not their antiquity but their appeal to the eye or their rare or unusual materials, or simply because they were different; or even in some cases because they were thought to be endowed with magical powers.

7. From the moment they were discovered, the Samaria ivories created fanfare. In excellent condition, the ivories depict scenes of exotic wildlife and flora, mythological creatures, foreign deities and much more. Dated to the ninth or eighth century B.C.E. (the Iron Age), they were uncovered from the site of Samaria —the Biblical capital of the northern kingdom of Israel—during the 1920s and 1930s.

RICHARD D. BARNETT: Ancient Ivories in the Middle East

Phoenician ivories were traded all over the Middle East and Mediterranean. They have been found in excavations on Crete PGP and Cyprus PGP , as well as Etruria PGP in central Italy . Equally, Assyrian craftsman developed their own local style of ivory carving, which was much less ornate (Image 1). Where Phoenician and Syrian ivory-workers favoured rounded figures, set off in relatively high relief from their backgrounds, Assyrians incised the outlines of their figures into the flat surface ...

Ancient ivories in the Middle East (Book, 1982) [WorldCat.org]

The ivories were first discovered in the mid-nineteenth century by renowned Victorian traveller and adventurer Austen Henry Layard, but it was not until the mid-twentieth century that the extent of the treasure was realized by Max Mallowan, the husband of Agatha Christie.

Ancient Ivory - Thames & Hudson

Nearly 400 Phoenician ivories have been found at the site, showing influences from various culture areas of the Middle East. In modern times Megiddo gave its name to an important battle won by the British general Edmund Allenby, who commanded the British forces in Palestine during the latter part of World War I. In September 1918, at a number of points near Megiddo, Allenby's cavalry cut off the northward retreat of the Turkish 7th and 8th armies after his infantry had defeated them in the ...
