Backgammon Online and Free - Play this Strategy Game

Backgammon is the most popular board game for 2 players. The board consists of 24 triangles with alternating colours – these are called points. The points are separated into four equal groups, known as Home and Outer boards. Every player has 15 checkers in predefined locations on the board and tries to move all of them safely to his home board.

BACKGAMMON Online - Play Free Backgammon on Poki

Backgammon is a version of the classic and popular board game that you can play online and for free on Silvergames.com. Your objective is to free all your checkers from the board before your opponent. Roll your dice and move your units in your respective direction in order to reach the top right part (in case of the black ones) or the bottom right part of the board (in case of the white ones).

Backgammon

Backgammon rules are simple. Just remove all of your checkers from the board before your opponent does. Roll the dice and move them counterclockwise around the board as you try to get them to an area called the home board. That's where they can be taken away. Game Controls. USE THE MOUSE to look for checkers to move.

Backgammon is a game for two players, played on a board consisting of twenty-four narrow triangles called points. The triangles alternate in color and are grouped into four quadrants of six triangles each. The quadrants are referred to as a player's home board and outer board, and the opponent's home board and outer board.
