LONDON — Brexit may be almost done but — even if there's a deal — it could still take another six months. The EU should “mirror” the U.K. government’s plan to phase in checks on goods moving between Great Britain and the EU even if the two sides agree a free-trade agreement before the end of the year, the British business lobby said.

Brexit and British Politics is a book of two halves. The first half is an interesting and well-constructed analysis of the political scene from before the UK’s entry into the EEC, to the British public’s decision to leave the EU.

Switzerland sets post-Brexit quota for British migrants ...

British elites have lost the capacity to represent societal interests and their authority has, accordingly, imploded. The present crisis in British politics, precipitated by the June 2016 vote to leave the European Union, was summed up by a recent scene in the House of Commons when a Member of Parliament seized the ceremonial mace. The mace, which is laid across the “despatch box” where ministers and their opposition counterparts speak, symbolises royal authority.
