Globalization and culture | United Nations Educational ...

The current era of globalization, with its unprecedented acceleration and intensification in the global flows of capital, labour, and information, is having a homogenizing influence on local culture. While this phenomenon promotes the integration of societies and has provided millions of people with new opportunities, it may also bring with it a loss of uniqueness of local culture, which in turn can lead to loss of identity, exclusion and even conflict.

Cultures and Globalization: Conflicts and Tensions ...

The links between economic globalization and cultural conflict are found at the level of the state and the level of the society. Global economic forces can weaken state institutions that ensure social peace, and can cause distinct cultural groups in multi-ethnic societies to suffer disproportionate economic hardships and gains.

Cultures And Globalization Conflicts And Tensions

Access Free Cultures And Globalization Conflicts And Tensions The Cultures And Globalization Series V 1

Generally speaking, issues surrounding culture and globalization have received less attention than the debates, which have arisen over globalization and the environment or labor standards. In part this is because cultural issues are more subtle and sensitive, and often more confusing. "The homogenizing influences of globalization that are most often

Cultures and Globalization | SAGE Publications Ltd

Historically the most violent conflicts have resulted from differences between cultures. Most of the products of globalization have a western influence owing to the power of the Western civilization. This has led to a trend whereby non-West nations have taken up active measures in attempt to shape the world in "non-Western" ways.

Cultures and Globalization: Conflicts and Tensions (The ...

Although globalization has been called an integrating force, cultural conflict has become the most rampant form of international violence as globalization has accelerated. Of the 36 violent conflicts raging around the world in 2003, the Iraq invasion was the sole international war.
