Bing: Documentation Of History And Physical

History and Physical The patient's history and physical is one of the first pieces of documentation that appears on the patient's record. This document usually includes not only information pertaining to the patient's history, but more importantly, pertinent information regarding the patient's current condition.

Documentation Of History And Physical

While the patient's history may provide clues to an underlying diagnosis, a thorough physical exam can offer key evidence for pruning the cause list, which narrows the diagnostic workup and can ultimately lead to an accurate diagnosis within a shorter time span. 5 In an observational study regarding the impact of the physical exam on diagnosis and subsequent treatment, Reilly noted that in 26% of patients, a skilled physical exam provided a pivotal finding that changed the patient's ...

History and Physical Medical Transcription Sample Reports ...

There is no real dividing line between history and examination. During the course of the history, you will gather a wealth of information on the patient's education and social background, and to a lesser extent, there will be physical signs to pick up. Examination needs to be as focused as history.

1 THE HISTORY AND PHYSICAL (H & P)

It is the responsibility of the organized medical staff to determine the minimum required content of medical history and physical (H & P) examinations (see MS.03.01.01 EP 6). The required content is relevant and includes sufficient information necessary to provide the care, treatment and services required addressing the patient's condition, planned care and assessed needs.
