I can say that it would have been nearly impossible to pass without the help of your courses. They (Physics and OB-GYN) were so comprehensive, approachable, and extraordinarily helpful. The X-Zone was also useful. I passed both exams in the high 80th percentiles and am very grateful to ESP!

taking my ob/gyn exam in 2 weeks!! I'm freaking out! I've been taking practice exams on the davis cd and studying out of the appleton and lange review book. if anyone has any suggestions or information they can pass on to me please please please let me know...

Ultrasound OB/GYN Review Flashcards - Cram.com

This review is decent. I passed my OB/GYN registry with room to spare. I did, however, supplement my studies with Edelman's review and noticed a few things missing from this book that Edelman included. Most all of my studying was done with this book though. The practice tests were helpful and long enough to make me feel like I got my money's worth.

ESP Ultrasound

Dr. Edelman's masterwork evolves in his 4th edition - bringing you the definitive guidance to successfully understand ultrasound physics. The scope of coverage, versatile educational approach and user-friendly format make this the ultimate text for both the student and practicing sonographer.

Ultrasound Registry Review | ESP Ultrasound LLC

I just took OBGYN two weeks ago. I have some pretty on point notes. Most of the comments on these notes were on my test. Failed OBGYN by 4 points! ☹️ Looking for abdomen notes and if anybody would like these obgyn notes I have, I'd be more than glad to send them! I'll take anything.
