Series Overview. The "For Everyone" series is Tom Wright's project to write an accessible commentary / devotional on the entire New Testament. He brings

his massive scholarly learning to the table, but these volumes are anything but dry academic tomes. The unique features of the series include the author's own translation, which is a fairly loose paraphrase in many places.

In Hebrews for Everyone, N.T, Wright helps us find our way around the letter to the Hebrews, one of the most challenging writings in the New Testament. He acknowledges that people often find it difficult, because some of the ideas it contains are strange to us. Yet, like meeting a new friend, Wright helps us to find it full of interest and delight, with a powerful message that comes home to the church to today and tomorrow just as much as it did to the church of yesterday.

Most significant of all was the feedback I received from N. T. Wright. He wrote an 11,000-word response to my first draft that was very help-ful in clarifying issues and (I hope) preventing distortions. The book is twice the size it was before all of that criticism arrived. If it is not a better book now, it is my fault, not theirs.
