## Hypatia: Mathematician, Philosopher, Myth: Booth ...

Hypatia was a victim of what might fashionably be called a social contradiction—one that none of the science, philosophy, or religion of the time had ever done anything to resolve. David B. Hart is a contributing writer of First Things. His most recent book is *Atheist Delusions: The Christian Revolution and Its Fashionable Enemies*. 0

...

Through presenting the different theories and myths alongside the available evidence, Hypatia: Mathematician, Philosopher, Myth will enable the reader to make their own interpretations about her life. While the evidence does leave many questions unanswered, this fascinating volume provides the evidence as it stands, separating myth from reality. Hypatia is an interesting example of how multicultural Alexandria functioned at such an unstable political time and provides anecdotal evidence of ...
