Its a colossal book,weigh 2.45 kg. The binding is good and the quality of the paper  
used is similar to a good daily newspaper but for 'Rs 754 i could't have asked for  
more.There are 1800+ pages and i cant find any silly typographical errors right  
now, but the margin alignment could have been a tad better(no complaints  
though) ; the book comes in hardcover so cheers:)
