### Night Street - orrisrestaurant.com

Night Street is the passionate story of a young painter, Clarice Beckett, who defies society's strict conventions and indifferent art critics alike and leads an intense private and professional life. With her extraordinary talent fo

### Sentimental Street - Wikipedia

There's something about street photography that's exciting. It's the appeal of capturing that right moment. When you combine that with the mystery of night time photography, it's no wonder night street photography is so popular. But this is also one of the more challenging types of photography to get right. The reason for that is the lack of light, making photography more difficult.
