Policies | Nike Purpose

Entre las que fui está la tienda de Nike, situada en una zona comercial cercana al Centro Comercial Andino. Sólo pude

tomar algunas fotos de esta tienda de unos 800 m2 distribuidos en tres plantas que, desde el punto de vista del diseño y el Visual Merchandising, son interesantes de analizar.

Nike Store Design Guidelines

The style of the Nike Stores uses standard in-store methods so as to improve the chance of customer's purchases. If walking into the Nike store, the most enticing element is the highly made and symmetrical layout. Every sport is provided its part that arranged in color and product type. It is done to appear that there are small stores in one bigger store.

50 of the best style guides to inspire you | Canva

Nike stores were traditionally about great product merchandised within branded spaces. But they wanted to create more meaningful, relevant and lasting relationships with their customers, to design stores where the product was aligned and supported by branded services that would energize and engage.

Material Choices - Nike Circular Design Guide

At Nike I architected the entire digital design department (as I have done in almost any company I join): Scouting, hiring and mentoring all the internal talent; providing roles & responsibilities to each team member; establishing the processes and dependencies with other company departments; predicting the group's org scalability (the depicted org above reflects only in the beginning, as it grew to almost 40 people); setting the group's accountability & metrics of success; and ...

Nike | Pro Services Elite | Brand Identity | Manual

—Golnaz Armin, Senior Director Materials Design, Nike Sportswear. Thought Starters. Consider your brief or project aims. What are the required, benchmark and/or ideal materials? What about standard trims and notions? Based on the environmental impact, how could material choices be reconsidered to lessen the product's impact?
