Skeleton Keys are bit and barrel keys used to open locks on fine furniture. There are three parts of a skeleton key: the bow, the barrel, and the bit. The diameter of the barrel, and the cut and size of the bit are the most important items when matching a lock. All of our keys are reproductions of functional keys used on locks for antique furniture. If you are ...

How to Measure Skeleton Keys Fitting a replacement key to a lock is a relatively simple process. First look at your lock to determine whether or not it has a pin showing in the keyhole. If so, measure the pin diameter. If your lock does not have a pin showing, select one of our solid shank keys with a bit size closest to the size of your keyhole.
