has a couple of uses. 1. In writing, use or making of interesting ideas. One would be in the novel "Job: A comedy of justice" where the devil isn't evil and hell isn't horrible but god just wanted people to think that, where most people just stick to "heaven good hell bad" or "it's all a lie and god is actually evil". 2. Words or action that replace a normal set.

The Creative License Quotes by Danny Gregory

The Creative License: Giving Yourself Permission to Be the Artist You Truly Are. Creativity is something we are all born with, but somewhere along the way, we convince ourselves we don't have the right to label ourselves as creative or artists. This book is my attempt to reverse that with a step-by-step process to reawaken the creative impulse in us all.

The Creative License is probably my favorite as it's a 'doing' book. It's filled with exercises that start simple and build on one another to teach daily sketching. One of the biggest gifts that Danny Gregory gives is encouragement/inner permission to draw. He seems to have decided to be who he really is.
