An angel is a supernatural being in various religions. The theological study of angels is known as angelology.. Abrahamic religions often depict them as benevolent celestial intermediaries between God (or Heaven) and humanity. Other roles include protectors and guides for humans, and servants of God. Abrahamic religions describe angelic hierarchies, which vary by sect and religion.

The guardian angel's journal (eBook, 2011) [WorldCat.org]

The Guardian Angel's Journal. When Margot Delacroix dies at forty-two years old, she is sent back to earth as a guardian angel – to herself. Renamed Ruth, she is forced by divine mandate to re-experience and record her biggest mistakes and fiercest regrets from the beginning of her life to her untimely death. Forced from the moment of her birth to witness the cogs of fate and the stuttering engine of free will, Ruth sets out to change the course of her life, and, ultimately, to prevent ...
