The Impressionists At Home

Impressionists are known for their love of light, but let's explore their homes and retreats. We will learn more intimately how they lived through the interiors of their homes. This will give us an extraordinary vantage point into the fashions and furnishings of this era which will enable us to appreciate the simple pleasures that this group of fascinating individuals enjoyed.

Gauguin and the Impressionists review -

a dream collection ...

Highly recommend this book. I have read many books on the French Impressionists and this book is in my ~Top 5~. Goes over the personal lives of the artists and their relationships. Also, check out Pamela Todd's book, ****The Pre-Raphaelites at Home**** if you are interested in that period of art.

Printables to Teach Kids About the Impressionists ...

It's an interesting topic since the Impressionists are much better known for their landscapes than for still life. But the book is small and doesn't cover nearly all the paintings in the exhibition. There is some discussion of the actual home life of some of the painters which I haven't seen anywhere else.
