**Rhetorical Criticism in Biblical  
Commentaries - Thomas H ...**

Biblical criticism is the discipline of attempting to understand and explain the intended meaning of biblical texts using critical analysis of the Bible. In its first form, it began in the eighteenth century as historical-biblical criticism. This original form of criticism was based on two distinguishing perspectives: the scientific concern to avoid dogma and bias by applying a neutral, non ...

The book proceeds in three parts. First, it examines

ancient Mediterranean practices of narration and characterization in relationship to the Gospel, concluding with an analysis of the Johannine prologue. In the second and third parts, it investigates explicit appeals to Scripture that are made both in and outside of Jesus' discourses. Through these analyses, Myers contends that the pervasive presence of Scripture in quotations, allusions, and references acts as corroborating evidence ...
