Wealth into Power: The Communist Party's Embrace of China ...

By co-opting the capitalists and practicing corporatist strategy, the CCP is effectively integrating wealth into power, preventing the wealthy from turning against their rule. Moreover, the shared interests of the state and the capitalists ensure the support from the latter.

Wealth Into Power The Communist

Wealth into Power: The Communist Party's Embrace of China's Private Sector by Bruce J. Dickson - Gilley - 2009 - Political Science Quarterly - Wiley Online Library.

Wealth into Power: The Communist Party's Embrace of China ...

"Wealth into Power is a masterful exploration of the convergence of economic and political power in China. Carefully, lucidly, and convincingly, Bruce Dickson demonstrates that economic development in China has generated crony communism rather than demands for democracy though the cozy relationships between private entrepreneurs and party leaders come at huge costs in terms of corruption and inequality.

Wealth Into Power The Communist Partys Embrace Of Chinas ...

Communism is a political and economic system that seeks to create a classless society in which the major means of production, such as mines and factories, are owned and controlled by the public. There is no government or private property or currency, and the wealth is divided among citizens equally or according to individual need.

Wealth into Power: The Communist Party's Embrace of China ...

In Wealth into Power, Bruce Dickson challenges the notion that economic development is leading to political change in China, or that China's private entrepreneurs are helping to promote democratization. Instead, they have become partners with the ruling Chinese Communist Party to promote economic growth while maintaining the political status quo. Dickson's research illuminates the
