How to Win the Lottery Using 1 Weird Technique - It Works!

Powerball's rules are a bit technical, but the gist is simple: If your ticket matches all six winning numbers in the order they're drawn, you win the jackpot along with anyone else holding the same winning numbers in the same order. Powerball reserves smaller prizes, if still quite hefty, for tickets matching some of the winning numbers.

What To Do If You Win The Lottery - Forbes

If you look for information about how to win the lottery, you'll find many tips that don't work. Lottery schemes like picking "rare" numbers (every number has an equal chance of winning, no matter how recently it was drawn), software that's supposed to be better at picking numbers, and other forms of wishful thinking abound.. There's no way to predict the numbers that will come up in the lottery.
